

## October 2024 **DOMESTIC VIOLENCE AWARENESS MONTH**

The Governor's Office of Youth, Faith and Family (GOYFF), in collaboration with the Governor's Commission to Prevent Intimate Partner and Gender-Based Violence, first launched the Lighting Arizona Purple campaign in 2015 to educate Arizonans that domestic violence affects all communities and launched the month-long campaign by lighting the Arizona State Capitol dome purple in October symbolizes Arizona's dedication to ending domestic violence.

In 2024, the movement has grown into a statewide initiative with public officials, state agency employees, law enforcement, advocates, service providers, and the general public hosting local awareness events, lighting their buildings purple, offering free training, connecting victims to life-saving services, and developing innovative ways to engage their communities.

The campaign's goals include:

- Raising awareness about what domestic violence is and ways to prevent it;
- Strengthening trauma-informed and victim-centered service providers; and
- Providing available resources to victims and their families.

The Lighting Arizona Purple Campaign elements are as follows:

### **Partner/Statewide Engagement: Cities/Towns & State Agencies Go Purple**

Universities/colleges, private and public entities, state and law enforcement agencies, and local government municipalities have supported the campaign in their communities.

### **Kickoff Event**

The campaign's kickoff event was held on the Arizona State Capitol House Lawn from 2015-2022, with approximately 500+ Arizonans in attendance to hear from state leaders, the Commission to Prevent Violence Against Women Chair, and a keynote address from a domestic violence survivor. Beginning October 2024, GOYFF will promote awareness and training events within Arizona communities to connect victims and their families to local resources and services. See Page 3.
