

**Service Enterprise Initiative (SEI) UPDATE – May 2025**  
**Arizona Governor’s Commission on Service and Volunteerism**

Fellow Commissioners, Tori Carlson, formerly with Interfaith Community Services (a Service Enterprise) and Donna Martin, Boys and Girls Clubs of the Valley (a Service Enterprise), along with Susan Nusall (retired from a Service Enterprise organization) and Sandra Freyer, Service Enterprise Program Manager at the Center met in April to continue to discuss avenues to strengthen organizations’ strategic volunteer engagement strategies while generating a revenue stream to support operating and administering the initiative. Six workshop modules that can be taken individually and as a series are being evaluated to train and engage staff at accredited organizations and as a precursor to becoming a Service Enterprise for nonaccredited organizations.

We always welcome your suggestions and support in distributing information and advocating for the initiative.
